Goodbye.

Bye.

Bye-bye.

Take care.

Time to go.

See you.

When we leave someone we usually both say:
Goodbye!

There are lots of expressions we can use when we want to say *goodbye*.

Goodbye!

Bye!

See you!

See you later!

Take care!

When someone goes to bed, we say:
Good night!

Good night.

GOODBYE BYE

SEE YOU

GOOD

NIGHT

TAKE CARE
