

GUESS MY NUMBER!

This is a guessing game for 2 players (or teams). In this game, there is one person asking questions (Player Q) and the other person answering questions (Player A).

Before the game, revise or pre-teach the vocabulary used in the activity.

Decide who will be Player Q and Player A.

Player Q gets a game board. Player A selects an envelope, takes out the cards and fans them in his or her hand secretly.

Player Q has to guess the secret set by asking yes/no questions. According to the given answers, Player Q eliminates the pictures on his/her game board until he or she finds out the secret set.

Player Q: Have you got a blue car?

Player A: No, I haven't.

Player A hasn't got number 3 and 6.

Player Q: Have you got a red bus?

Player A: Yes, I have.

Player A has got number 1 or 4.

Player Q: Have you got a green boat?

Player A: No, I haven't.

Player A hasn't got number 4.

Player Q: You have got number 1!

The game can be played on two boards, one for each player. Each player marks his or her secret set of cards, then tries to guess the other person's set by process of elimination.

Preparation

Print out a game board and question cards. If you want, you can stick the printout onto the heavy paper.

Cut out the individual cards, fold them and glue.

You can laminate your game board and cards for future use.

MATERIALS

a game board
for Player Q

6 sets of
playing cards

an envelope
for each card set
