

HOW MANY?

*Wordies visit Treelandia. They meet Bo and Amy.
Rosie teaches them count to twenty.*

Five little aliens are on
the way to Earth. Their
spaceship flies for months
past planets and stars.

Rosie
How many trees are there?

Bo
I have no idea!
We can only count to five.

Rosie
Let's count together.

Bo and Amy
One, two, three, ...,
twenty.

count
many
can

How trees are
there?

We count to ten.

Let's together.
