

PREPOSITION TIC TAC TOE

This is a game for 2 teams (or 2 players). Before the game, revise or pre-teach the vocabulary used in the activity.

Your aim is to make a line of three:

When you choose a square, you have to complete a task.

For example, look at the picture and make a sentence:

Top left: fox, box.

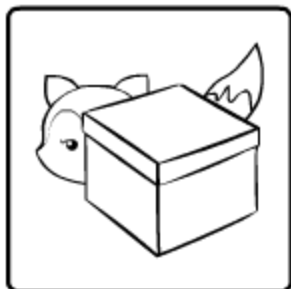

There is a fox behind the box.

If you are right, place your sun or cloud marker on the game board.

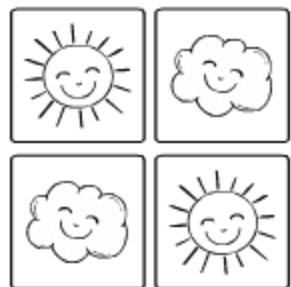

If you are wrong, it is the other team's turn.

The first team to make a line of three, wins the game.
