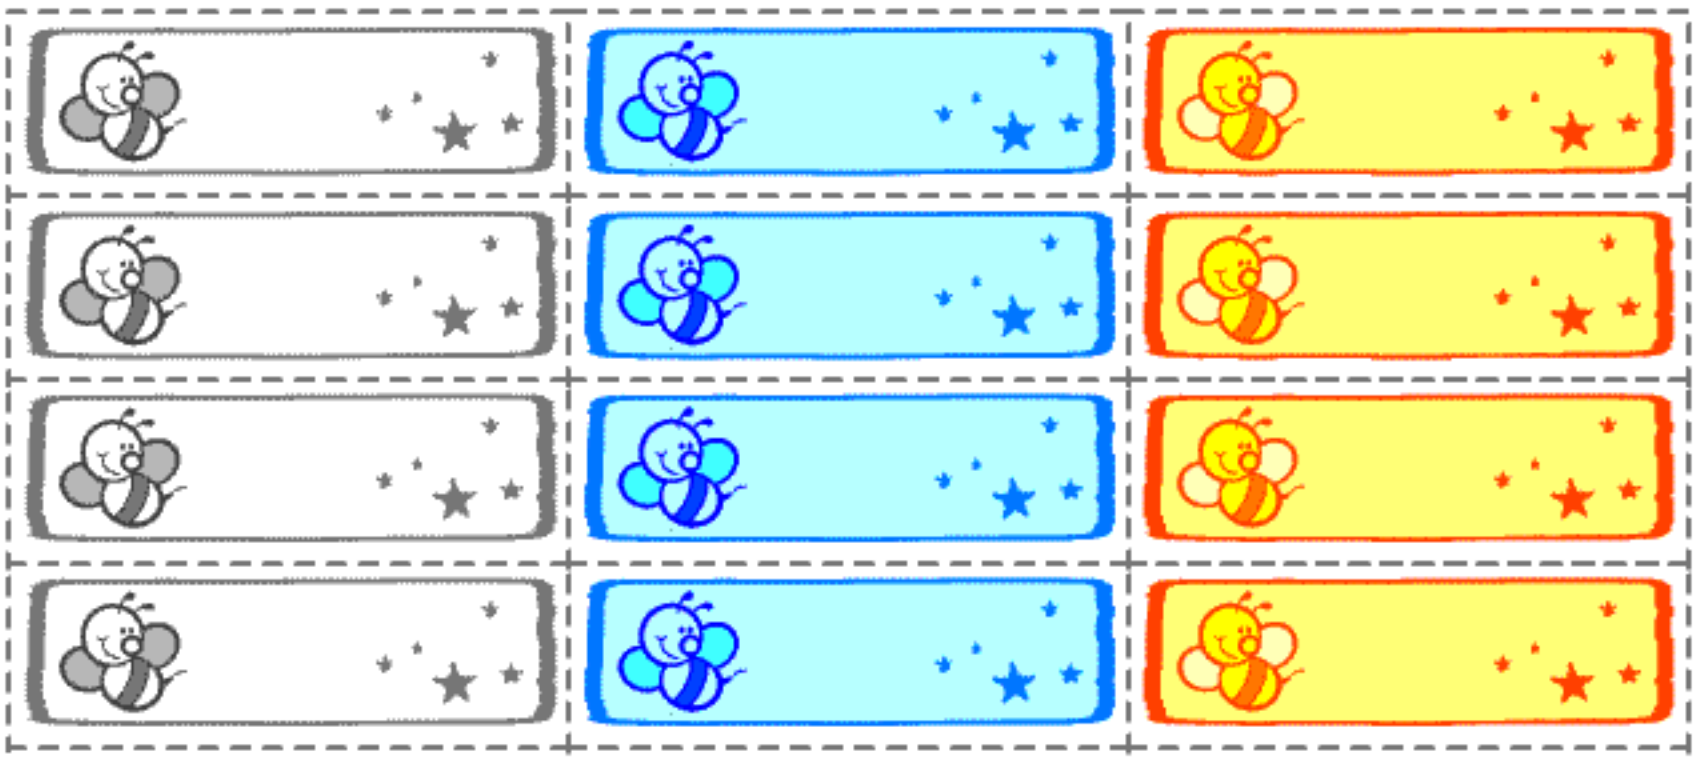
BINGO COUNTERS (2)



How to play

1. Print out your Bingo! cards and counters.
2. Give one Bingo card and four counters to each player.
3. Kids choose four pictures (or words), then cover them with counters.
4. The caller calls out words for any of the pictures on the Bingo! card at random.
5. Kids uncover each of their chosen pictures that they hear the caller names.
6. The first person to uncover all four pictures calls Bingo!
7. He or she then becomes the caller and the game can be repeated.
